River call

Planning a fishing trip?

Phone Rivercall and find out about river levels, flows and temperature forecasts before you go - you could save yourself a wasted journey.

Information is available for the River Witham,

Information on other rivers in the Anglian region including the Nene, Wensum, Stour, Great Ouse and Ivel is also provided.

Anglian 0906 619 7777

Calls will cost you 60p per minute with the money being used to fund fishery projects across our region.

Other areas operating river call

North-East 0906 619 7722

North West 0906 619 7733

Midlands 0906 619 7744

Wales 0906 619 7755
