

The Haxey Strip

📍 12 stages | 📏 13 mi (20 km) | 🚲 Ride Well

This circular route takes you through open arable farming countryside with fine views, quaint small villages and historic sites.

Highlights

Epworth

Along this route keep an eye out for the strip farming which was once prolific in the Isle. A relic of medieval farming, the narrow strips covered almost all the cultivated ground. Each owner had several strips around the parish, giving everyone a variety of soils. Up to the 1970s much of the system survived but now most are joined into wider areas more suitable for modern machinery.

Epworth Turbary

A Lincolnshire Trust nature reserve. Here, landowner John de Mowbray, through the Mowbray Deed gave commoners the right to cut peat for fuel.

Graizelound

A small village where several surviving narrow strips can be seen, most used for market garden crops.

Rider Information

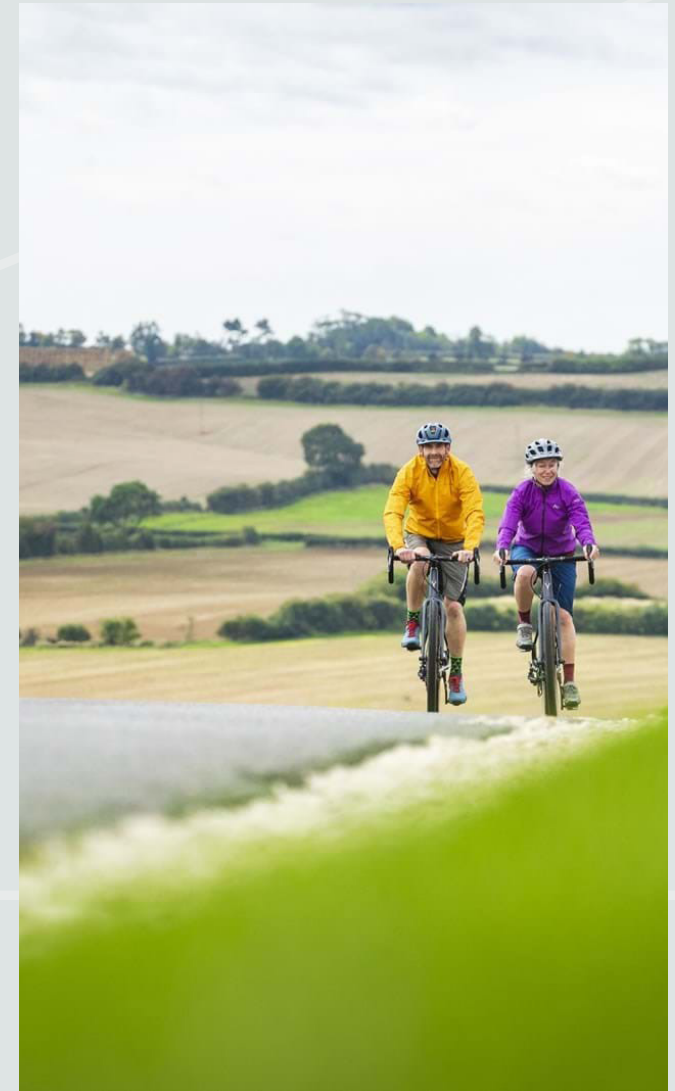

Road surface is constructed of tarmac and is in a reasonable state of repair. However, watch out for small potholes that pepper the roads. (Notice that there is a stretch of road, just after turning off Idle Bank, onto Cove Road, that the road has a significant dip, which will only deteriorate and requires repairing).

Suitable for all types of bike.

The grades for cycle rides

Ride easy, ride steady, ride well and **ride strong** have been developed by British Cycling to help cyclists to decide whether a particular route is appropriate for their ability.
